

ORGANIZE

Skillsville To-Go

WHAT WE LEARNED TODAY

The **Organize** Success Skill means, "keep track of different information and belongings and put them in an order that makes sense to you."

The strategy we learned was **Counting**.

Some careers we learned about were **Paleontologist**, **Treasurer**, and **Delivery Driver**.

USE THE ORGANIZE SUCCESS SKILL AT HOME

Think about something you'd like what you need to do to meet that goal. Share ideas of how the people in your family can help you meet that goal.

GOAL	STEPS TO MEET MY GOAL	HOW CAN MY FAMILY HELP?
<i>I want to be able to...</i>	<i>First</i>	
	<i>Next</i>	
	<i>Then</i>	

USE THE COUNTING STRATEGY

Practice using the Counting Strategy throughout your day. Count how many tasks are in your morning routine as you get ready. You can count how many socks you find as you do laundry. Count the steps you do as you cook a meal. Counting can help you plan and prioritize!
