

Hi! I'm Scout. Take turns asking these questions to the people around you. Mark off the box for every question you get answered.

Can you get three in a row?

What is a way your body reacts when you are frustrated?	What is your favorite way to move your body? Are there exercises or dances you like to do?	Have you ever tried to make a silly movement when you feel frustrated? What did you do?
Can you think of two interesting careers? If you "mashed" them together into one career, what would it look like?	Imagine you were a chef and could create a new meal. What would it be?	What do you think it means to "think differently"?
When we make mistakes, we can learn and try again. What is something you learned after making a mistake?	When you have a problem, what are some things you do to try to solve it in a creative way?	How many words can you make using letters from this success skill: <b>THINK DIFFERENTLY</b>
