

# THINK DIFFERENTLY

## Conversation Card

Take turns asking these questions to the people around you.  
Mark off the box for every question you get answered.

If you wanted to make a bracelet but were out of string, what could you use instead?

Have you ever noticed any shapes, patterns, or pictures in the stars at night?

When you have a problem, what are some things you try to do to solve it?

If you could change one thing about your town/city what would it be?

Imagine you were a chef and could create a new recipe. What would it be?

What do you think it means to “think differently”?
