PAPER GAME

Fit the Budget

GOAL OF THE GAME

Use the Organize Success Skill to arrange a budget

WHAT TO GIVE EACH FAMILY

Make groups of 2 – 4 players

Each player gets:

- 1 budget
- 5 random sports equipment pieces

HOW TO PLAY

1. Players place the five sports equipment pieces on their budget sheets – they rotate or place the pieces in any way they like if all pieces fit on the board.
2. This is a cooperative game and players should trade pieces. If a player doesn't have enough space on their budget to fit their equipment, they are over budget. They may need to trade a piece of equipment with another player to fit their budget.
3. After players have fit their budget, they can try an extra challenge where they need to fit the sports equipment with a smaller budget without placing any items on the bottom row.

DIGITAL GAME

Plan, Pack, Go

GOAL OF THE GAME

Use the Organize Success Skill to plan a route and deliver packages to Beeples.

7. Tap the Digital Game icon to play the game.

HOW YOU CAN HELP FAMILIES

1. Remind families to use their headphones and splitters so caregivers and children can listen and follow along with the game.
2. To begin gameplay, players tap the orange box with the arrow.
3. Then they will follow the prompts to begin a route.
4. When they begin a route, they should tap on the box, then drag their finger along the route to the green destination.
