

# ORGANIZE SESSION HANDOUT

## WHAT WE LEARNED TODAY

The Organize Success Skill means “Keep track of different information and belongings and put them in an order that makes sense to you.”

We also learned the Skillsville Strategy Counting.

## USE THE ORGANIZE SUCCESS SKILL AT HOME

- ☐ Think about something you'd like to do, or a goal, and plan out the steps you'll need to take to meet your goal
- ☐ Cook a favorite recipe together. Before you begin, talk about the ingredients and tools you'll need to make your recipe.
- ☐ Play the paper game Fit the Budget

## USE THE COUNTING STRATEGY AT HOME

- ☐ Pick a color and try to count all the things in a room that are that color
- ☐ Choose a shape like a circle, square, or triangle, and count how many times you see that shape in a room
