

Hi! I'm Cruz and these are my friends Max and Zuzu. Take turns asking these questions to the people around you. Mark off the box for every question you get answered. Can you get three in a row?

What is something you did today that made you proud?	What are some sounds that make you calm when you hear them?	Name your favorite sounds to hear when you are outside.
Remembering is important in a lot of careers. Can you name some?	If you could try out a career for a day, what career would you try out?	What do you think a train engineer might do in their career?
When you're meeting a lot of new people, what helps you remember all their names?	Is it hard for you to remember directions when you're doing a new task? How do you remember them?	What are some things you find helpful to do when you need to remember a lot of things at one time?
